

The background of the image is a snowy landscape with tall evergreen trees covered in snow. In the lower right foreground, Olaf the snowman is standing, looking slightly to the left with a happy expression. He has a large orange carrot nose, black coal eyes, and a black coal mouth. He is wearing his signature white short-sleeved shirt and blue pants.

# Plot of Frozen

By: Marion and Faith

# Exposition

Characters: Elsa, Anna, Christoff, Hans, Sven and Olaf.

Setting: A small mountain town in Norway called Arendelle.

When the movie starts Anna and Elsa are in a big room playing in the snow that Elsa made with her powers. While they are playing Elsa accidentally strikes Anna in the head with her powers. When they go to see the trolls Grandpabbi removes all the memories with magic. Grandpabbi tells Elsa to not play with her magic because she could freeze Anna's heart on accident. A while after that happens their parents die and Elsa has a coronation and she is now the queen of Arendelle.

## Rising Action

- \* When Anna and Elsa are arguing about why Elsa hasn't talked to Anna since they were little. Elsa gets mad and accidentally shoots ice and then everyone gets scared. The guards are trying to catch her she accidentally sets off an eternal winter in Arendelle. Anna decides to go after her to see if she can get Elsa to come back.

# Climax

- \* When Anna gets to an enormous ice castle that her sister had built with her powers. She got to the castle with the help of Christoff and Sven. When Anna and Elsa are talking Elsa says that Anna should go back home because that's where she belongs and that Anna would get hurt if she stayed. They start arguing again and Elsa accidentally shoots Anna in the heart with her powers and now Anna is in danger of her heart freezing.

# Falling Action

- \* When Anna is in the regular castle and Hans locked her in the living room and blew out the fire and she had no source of heat until Olaf unlocked the door with his nose and started a fire. Christoff, Elsa, Anna, Sven, and Hans are all on the lake and Hans takes his sword out and is going to kill Elsa and Anna runs over there in front of him and she has her hand up to stop the sword and she completely froze. The sword shattered when it hit Anna's hand.

# Resolution

- \* Elsa hugs Anna and she magically unfreezes. Elsa knows now how to unfreeze everything and it goes back to summer and everyone is happy again.
